

City of Norfolk New Parking Rates

Please be aware that the City of Norfolk has increased their parking rates throughout downtown and implemented a flat rate entry fee after 6:00pm

In an effort to keep TRDance Center as convenient as possible these are the new parking validation rates:

Hourly Parking - Entry before 6:00pm:

1 hour class	\$1.00
1 ½ hour class	\$1.50
2 hour class or more.....	\$2.00

Flat Rate Parking - Entry after 6:00pm:

You will be required to pay a \$3.00 entry fee.

TRD will validate up to \$2.00.

You will be reimbursed in cash on the way out of the garage.

FYI: Although we cannot validate tickets at the MacArthur Center Garage their rates are lower than the Freemason Street Garage. If you are in the area for an extended time period you may choose to park at MacArthur. Rates compare as follows:
